Throwback Suite était un projet de fin d'études universitaires et ne comportait à l'origine que deux pièces - *Chorale* et *Dance*. *Aria* et *Chanty* ont ensuite été composées en tant que duos pour soprano lyrique et flûte.

Je les ai arrangés pour l'orchestre et j'ai créé la *Suite Throwback*.

Cette suite met à l'épreuve les capacités des interprètes en termes d'expertise technique, d'étendue instrumentale et d'ensemble.

I. *Chorale* est un morceau qui pousse à la réflexion et qui se termine par une question.

II. *Dance* est simplement une danse légère.

III. *Aria* est basé sur un poème sur l'amour abandonné.

IV. *Chanty* est un chant de marins original et utilise également une ancienne danse celtique.

L'objectif était d'imiter les suites des vieux maîtres comme les suites en Mib et Fa de Gustav Holst, le Divertimento pour orchestre d'harmonie de Persichetti, la Suite of Old American Dances de Bennett et bien d'autres encore.

THROWBACK SUITE was a final University project and was originally only two pieces - CHORALE and DANCE. ARIA and CHANTY were then composed as duets for Lyric Soprano and Flute. I arranged them for band and created THROWBACK SUITE.

The SUITE tests the abilities of the performers in regards to technical expertise, instrumental range, and ensemble.

I. *CHORALE* is thought provoking ending in a question.

II. *DANCE* is simply a lighthearted dance.

III. *ARIA* is based on a poem about relinquished love.

IV. *CHANTY* is an original Sea Shanty and also uses an ancient Celtic Dance.

The goal was to mimic the Old Master's Suites. Suites Eb and F- Holst Divertimento for Band - Persichetti Suite of Old American Dances - Bennett and more.
